Dear Ms. Qunell, *Kerri*

Thank you so much for KEYE Television's sponsorship of Leadership Austin's first annual fundraiser, the *Best Party Ever*, on June 6, 2002, and the wonderful four-minute video you compiled for us following the event.

We are so pleased with the video, which we'll be able to use in so many venues, including on fund development visits, for recruiting purposes, and as an informational piece to introduce community leaders to the organization. Our Board of Directors and our fund development committee, as well as many of our alumni who have already viewed it, have commented on what a fabulous collateral piece this is, and how integral it will be to assisting the organization as we expand our programming to reach more committed Central Texas leaders in the future.

We appreciate and thank you for your support of Leadership Austin and this first time event. And please extend our appreciation to Jeremy Smith and your other colleagues who assisted you on this project.

Sincerely,

*Thank you!*

Dear Ms. Qunell:

Thank you for your kind support of our recent fundraising luncheon featuring Dan Rather. The luncheon was a great success netting enough funds to sponsor the memberships of 350 youth into the Boys & Girls Clubs.

Enclosed is an invoice for your remaining sponsorship balance. Should our records be incorrect and your payment has been forwarded, or should you wish to make payment at a later date, please contact our administrative offices at (512) 444-7199 so that we may better estimate our cash flow needs.

Again, thank you for your support of our fundraising luncheon and of the youth we serve.

Dear Ms. Qunell: *Kerri,*

We just wanted to let you know how much we at the Boys & Girls Clubs appreciate your support of our Fall Fundraising Luncheon featuring Dan Rather. The event was an enormous success with almost 600 people in attendance. Additionally, enough money was raised through this luncheon to support the memberships of over 300 at-risk youth at our three Boys & Girls Club locations during the coming year.

As you may know, we only charge our young members \$10 per year so as to not exclude anyone based on economic circumstances. Not surprisingly, however, it costs, on average, \$250 per year to keep one child involved in the Club. We look to community support to help us offset the additional costs so that we may continue to expand our services to more and more at-risk youth.

Obviously, we will never be able to reach every child in-need, but rest assured that we will continue to try.

Please know that the time and resources you committed to this event are greatly appreciated and that you have indeed positively impacted the lives of our young.

Again, thank you.

Dear Kerri,

On behalf of the Capital Area Food Bank of Texas, I would like to thank you, the anchors, the reporters and all the staff at KEYE for all of your efforts and hard work during the 2<sup>nd</sup> Annual KEYE Food Drive. Throughout this weeklong event, KEYE exhibited a professionalism, a courtesy, and a real desire to make a difference in this community which we found to be truly inspiring.

The \$4,277 you raised and the 11,570 pounds of food you collected is equivalent to 33,207 meals for our neighbors in need here in Central Texas. Above and beyond the food and money, KEYE created an awareness not only of our programs and services, but of the true need that many face each and every day.

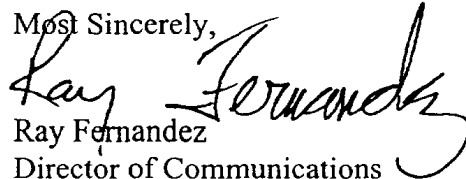

During the last year, we've been tested by an alarming decline in our economy, job layoffs, a significant drop in the stock exchange, and higher unemployment.

Here in Central Texas, we continue to experience an increasing difficulty in finding food and raising funds. We know we will have to work even harder and smarter. We know that the needs of our hungry neighbors continues to grow.

The people we serve, whether young or old, working or recently unemployed, lead fragile existences, where even an unexpected illness, a needed car repair, or a lay-off, could force them to wonder from where their next meal is coming. They are like many Americans – just a paycheck or two from a soup kitchen line.

Contributions such as yours helps the Capital Area Food Bank continue to successfully help feed the hungry throughout our 21-county service area. We truly value our partnership with KEYE and look forward to future projects.

Most Sincerely,

  
Ray Fernandez  
Director of Communications

Dear Sabra and all the crew,

What an awesome group you are. Thank you so much for doing on-site food drive for us. I think we received close to 5000 pounds of food! More importantly, your campaign raised community awareness.

I see the face of hunger every day and know just how important the Capitol Area Food Bank is for our pantry.

Keep up the good work.

Thank you again.

Dear Kerri:

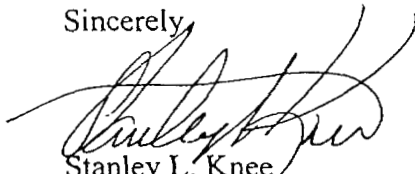

I wish to add my endorsement of KEYE-TV for the community service award from the Texas Association of Broadcasters.

Operation Blue Santa, a program of the Austin Police Department for 30 years, has profited immensely from the partnership with KEYE. Donations of toys and cash have increased since KEYE approached us about becoming our primary media sponsor.

Operation Blue Santa gives underprivileged Austin children the opportunity see police officers in a new light. KEYE has given us the opportunity to reach more of those children.

Thank you for your support.

Dear Kerri:

It is my pleasure to endorse KEYE-TV for the community service award from the Texas Association of Broadcasters.

Operation Blue Santa provides toys and food to needy families in Austin for Christmas. In 2002, we celebrated our 30th year. With the assistance of KEYE, we were able to serve 4,852 families – our largest number ever! This means that over 13,000 children received gifts who might not otherwise have had anything for Christmas.

Operation Blue Santa attributes much of our outstanding success this year to the successful partnership with KEYE. Keeping the organization in the forefront of your newscasts for two weeks raised the awareness of the community. The on-line auction sponsored by KEYE raised over \$6,000. In addition, viewers contributed another \$4,000 during the drive. We received enough toys from KEYE for over 2,000 children.

Thank you for being such a committed and effective partner for our worthwhile organization.

Sincerely,

Thanks so much for inviting us to do this. You two are just so wonderfully professional and great to work with and we would like to be involved with you any time. I had two thoughts (which you are free to use or discard). One, you might want to do a call-in on alcohol and drug abuse (I can put together speakers and a hotline for that as well). And two, I wonder if there is a place to put Jim Van Norman on the air for a thirty or even fifteen minute segment in which he could explain a little about mental illnesses and answer calls once a week or twice a month. Have a great weekend and Kerri take it easy on your feet!

THANK YOU to everyone who helped make the "Dealing With Depression phone bank a success.

We had a record number of calls for any KEYE phone bank - **302 calls**. The average number of calls is around 125 -- A huge testament to the impact of this issue on our community.

We have had calls and emails from viewers today thanking us for running the special and holding the phone bank as well.

Beverly, THANK YOU and all of those from MHMR who fielded the many, many calls. Please pass this email on to them.

We are considering making the 30-minute special available to order, and are working out the details on that. We're also strongly considering another phone bank/special in six months.

Again, thanks to everyone involved.

Thank you for your effort to bring this subject to light and help take away the shame while showing people there are now effective ways to deal with it. I spent 8 years in psychotherapy and have been much helped by both therapy and anti-depressants. I only wish I could have helped my son. Thank you again. Thank you, thank you. Dear Keyetv:

I applaud you and your staff for constructing and airing the special on depression. I am 34 years old and have suffered from depression since I was 15. I never knew it was depression until about a year ago. In the last couple of months I have fully recovered from the chronic depression. My life has changed for the better. For the first time I feel joy, hope and love in my life. The depression was essentially living in a deep, dark coma and not understanding why I could not escape.

Thank you for airing this show to the Central Texas community. Hopefully people will seek help to recover from this life-changing illness. There is hope and there is treatment. I am living proof!

Keep up the good work!

Dear Danny, Rob, and Mark:

On behalf of The Board of Directors of The Christmas Bureau of Austin and Travis County we deeply, deeply appreciate the Community Relations promotion and advertising package of \$39,460+ you provided for us during November and December 2002.

The Christmas Bureau assisted approximately 10,000+ families in 2002. Of the 10,000+; Salvation Army assisted 2,480+ and Austin Police Department assisted 2,700+ families. For the second year in a row, we raised more cash donations from the previous year. As you probably recall, in 2001 we received 155% cash donations from the previous year. In 2002, we received 110%+ from the previous year. In all honesty, I am convinced with the on-going "fine tuning" with the media promoting our worthwhile cause has enabled us to grow for the past two years. Initially, I budgeted 20% less in donations based upon other non-profit organization fundraising efforts. We are very grateful to have the opportunity to meet with you this past fall and develop several different types of promotion to cater to the specific period of time prior to Christmas.

In closing, every time I turned around the last ten days before Christmas FOX 7 was at our office with live broadcast helping us to reach out to the citizens of Austin. We are very appreciative of your generosity and look forward in building our relationship in the upcoming year.

Sincerely,

Clift Bowman

Dear Mr. Baker: 

On behalf of the Board of Directors and staff of the Capital Area Training Foundation, thank you very much for your sponsorship of our recent CEO Summit and College & Career Summit for High School Students. Thanks to you, we had one of the most successful Greater Austin@Work events ever! Your support of this event helped over 3,000 high school students explore their future options in terms of education and career opportunities. While simultaneously, 150 CEOs, university presidents, superintendents and non-profit leaders assembled to create a plan of action that will help tackle the tough issues facing us as a region.

Enclosed please find our recognition pieces that acknowledge your organization as a sponsor. We were able to add a few "extras" like the event specific website at (<http://www.greataustinatwork.org/ceosummit/sponsors.html>), the *Austin American-Statesman* wrap and the sponsor sheet included in the CEO briefing packet. In addition, we enjoyed significant press coverage through the *Austin American-Statesman* (see enclosed article), the Greater Austin Chamber, Fox 7, KXAN, KVUE and KUT.

Remember, as part of your benefit package you will also be listed as a sponsor of our Greater Austin@Work Employer Recognition Luncheon on Tuesday, August 19<sup>th</sup> at the Hyatt Regency on Town Lake at 11:30 a.m. Kati Timmons will be getting in touch with you regarding the details in the coming months.

Again, thank you very much for supporting the Capital Area Training Foundation with your very generous sponsorship. We look forward to seeing you in August.

**Subject:** FOX 7's great coverage of our CASA Kid's Golf Classic!

Danny and Rob,

Thank you both so much for making sure our children get a voice. I am so impressed with the spots you did to help CASA of Travis County SELL OUT the golf tournament! All 26 teams were there and accounted for, thanks to the voice of FOX, and we have 78 people in training, thanks to all of the publicity you generated. I cannot thank you enough for giving your strong voice to the needs of my children. I hope your celebrities enjoyed the day, as we sure enjoyed having them there and appreciated that many of them stayed until the final prize was awarded!

I can't express how much we appreciated the connected team FOX 7 put forward from the first contact through recording the public service announcements, to the last prize award of the day. It is such a pleasure to have the opportunity to work with all of you again.

Thank you so much for taking care of your children,

Karen Cox
